No, nothing needs to be noted, since this is the only intermodal holdings payment we will be receiving. If you can easily add a comment, the invoice number is appreciated for easy application (2103143.2600008-1).

I just realized I never replied to this, sorry about that. I was just following up to find out if the funds were transferred?

Thanks,

Steve

MJ,

Thank you for talking with me last week. I wanted to make sure my understanding of our conversation matched yours.

Your board has approved the payment of the invoice, with a first payment on the 15th, and a final release on the 30th of march.

You said you were going to get back to me once you knew the amount of the first payment. If you have an update, please let me know how much to expect for the first payment. Additionally, will you be mailing a check, or do you need ACH information to transfer the funds to us?

Thanks,

Steve
